December 21, 2018

Happy Holidays! No overnight closures are scheduled for the next two weeks.

January 6, we kick off the New Year with a 27-hour closure of I-10 East at Redd.

I-10 East at Redd

27 HOURS

Sunday, January 6 at 3 a.m. to Monday, January 7 at 6 a.m.

- I-10 Eastbound will close between Redd Road and Sunland Park Drive.
- The Redd Road entrance ramp to I-10 Eastbound will close.
- The North Mesa Street entrance ramp to I-10 Eastbound will close.

Detour: Motorists will exit at Redd Road (Exit 9), follow Redd Road to Doniphan Drive, then follow Doniphan Drive to Sunland Park Drive. Motorists may re-enter I-10 Eastbound via the Sunland Park Drive entrance ramp.

I-10 LANE PATTERN CHANGE: Crews plan to change traffic lane patterns for motorists on I-10 Eastbound between North Mesa Street (SH 20) and Resler Drive. Once the 27-hour closure lifts, motorists can expect to be driving on the main lanes of I-10 after several months of driving on the collector-distributor (CD) lanes. The CD lanes run alongside I-10's main lanes. [Map 1]

Note: If this work activity is canceled, such as due to weather, then it will be re-scheduled to take place Jan. 13-14.

North Mesa

Overnight

Monday, January 7 through Thursday, January 10

9 p.m. each night to 6 a.m. each morning

- The eastbound lanes on North Mesa Street (SH 20) – traveling in the direction from Osborne toward Remcon – will close between Osborne Drive and Remcon Circle.
- The North Mesa exit ramp (Exit 11) from I-10 Westbound will close.
- The North Mesa entrance ramp to I-10 Eastbound will close.

Note: Motorists who exit at the North Mesa exit ramp (Exit 11) from I-10 Eastbound will only be able to turn right onto North Mesa Street (SH 20) at the signalized intersection.

Crews will continue upgrading pavement on North Mesa Street (SH 20). [Map 2]

The Texas Department of Transportation is responsible for maintaining 80,000 miles of road and for supporting aviation, rail, and public transportation across the state. GO 10 is a \$158 million reconstruction of Interstate 10 that spans approximately 6 miles on El Paso's West Side between Executive Center Boulevard and North Mesa Street. GO 10 features the addition of collector-distributor lanes and a new direct connector with Border West Expressway.

Developing

The following closures are still developing, meaning, details may change.

I-10 West at Sunland

27 HOURS

Sunday, January 20 at 3 a.m. to Monday, January 21 at 6 a.m.

- I-10 Westbound will close between Sunland Park Drive and North Mesa Street.
- The Sunland Park entrance ramp to I-10 Westbound will close.

Detour: Motorists on I-10 Westbound will exit at Sunland Park Drive (Exit 13), follow Sunland Park Drive to North Mesa Street (SH 20), then re-enter I-10 Westbound using the North Mesa entrance ramp.

I-10 LANE PATTERN CHANGE: Crews plan to change traffic lane patterns for motorists on I-10 Westbound between Resler Drive and North Mesa Street (SH 20). Once the 27-hour closure lifts, motorists can expect to be driving on the main lanes of I-10 after several months of driving on the collector-distributor (CD) lanes. The CD lanes run alongside I-10's main lanes. [Map 3]

All closures are subject to change or cancellation.

All closure times are approximate.

Exit and entrance ramps may close up to one hour prior to the start time of an I-10 closure.
