TRAFFIC ADVISORY

Westbound CD lanes will reduce to one lane Saturday.

Due to emergency asphalt work needed in the left shoulder, crews will close the left lane on the westbound CD lanes of I-10 near Resler Drive.

Drivers who are traveling on the westbound CD lanes near Resler Drive will have to go through the traffic signal lights at North Mesa Street (SH 20) before being able to enter the main lanes of I-10 West.

The closure details are as follows:

Saturday, June 22

6 a.m. to 4 p.m.

- The westbound CD lanes of I-10 will be reduced to one lane between Resler Drive and North Mesa Street.
- The Sunland Park entrance ramp to the main lanes of I-10 West will close.

This closure could lift prior to 4 p.m.

###

The Texas Department of Transportation is responsible for maintaining 80,000 miles of road and for supporting aviation, rail, and public transportation across the state. GO 10 is a \$158 million reconstruction of Interstate 10 that spans approximately 6 miles on El Paso's West Side between Executive Center Boulevard and North Mesa Street. GO 10 features the addition of collector-distributor lanes and a new direct connector with Border West Expressway.
