## UPDATE

Crews open I-10 Westbound lanes ahead of schedule.  
Entrance ramp to close temporarily.

**GO 10** crews have opened I-10 Westbound lanes – nine hours ahead of schedule. The closure was scheduled to be in place for 27 hours, starting at 3 am today through 6 am Feb. 26. As part of the early opening of I-10 Westbound, the Sunland Park Drive westbound entrance ramp is also open.

Drivers on I-10 Westbound can expect a change in lane geometry between Resler Drive and Thorn Avenue. Lanes are shifted over to the left and motorists will now be traveling on the center median of the I-10 overpass at North Mesa Street (SH 20). Drivers should approach the area carefully and follow the posted speed limit.

North Mesa Street (SH 20) will remain closed under the I-10 overpass in both directions as scheduled. Crews continue to remove rubble and clean up.

New tonight: Crews have closed the North Mesa Street entrance ramp to I-10 Westbound until 6 a.m. Monday, March 5. Additional time is needed to complete tying-in the North Mesa entrance ramp to the re-configured lanes of I-10 Westbound. Motorists will be able to take the North Mesa Street westbound ramp onto the North Desert Boulevard frontage road, then enter I-10 Westbound at the next entrance ramp at Redd Road.

Thank you for your patience.

###

The Texas Department of Transportation is responsible for maintaining 80,000 miles of road and for supporting aviation, rail, and public transportation across the state. GO 10 is a \$158 million reconstruction of Interstate 10 that spans approximately 6 miles on El Paso's West Side between Executive Center Boulevard and North Mesa Street. GO 10 features the addition of collector-distributor lanes and a new direct connector with Border West Expressway.

Maintain a Safe System • Address Congestion • Best-in-Class State Agency • Connect Texas Communities
