ADVISORY

Emergency closures required:

- Sunland Park exit ramp will close for two nights
- A lane on North Mesa Street (SH 20) will close for two weeks

Overnight

Wednesday, April 4 and Thursday, April 5

9 p.m. each night to 6 a.m. each following morning

- The Sunland Park Drive exit ramp from I-10 Westbound will close.

This emergency closure is needed so crews may install a 50-foot-long metal beam guardrail fence along the ramp's shoulder.

Continuous – 24/7

Through April 13

- The right eastbound lane on North Mesa Street (SH 20) between South Desert Blvd and North Desert Blvd (under the I-10 overpass) will be closed. Two lanes will remain open.

The closure is necessary to prevent high clearance vehicles from colliding with an overhead platform. The platform is in place so crews may complete construction of a bridge support column.
